

Blend: 92% Amador County Sauvignon Blanc

5% Lodi Roussanne

3% Lodi Viognier

This Sauvignon Blanc fruit was pressed using a combination of whole cluster and berry pressing. The wine is very well rounded with a pleasing combination of faint green apple and vibrant citrus flavors with a mineral background. This vintage is very crisp and perfect for sipping or with seafood, salads, pasta with white sauce and risotto. If you are suffering from the ABC's (*Anything But Chardonnay*), this is your wine!

Winemaker Paul Scotto produced 500 cases.
