

Blend: 91% Amador County Zinfandel
6% Amador County Syrah
3% Amador County Barbera

This Zinfandel was sourced from a 20 year old, low yield Amador County vineyard. The components were vinified separately and then blended before spending twelve months in oak. This wine is medium bodied with a fruit forward flavor profile and pronounced red berry and black fruit flavors, making it a satisfying Zin to sip and savor before meals or with grilled meats and vegetables, hearty stews, pizza, red pasta and spicy snacks.

Winemaker Paul Scotto produced 336 cases.
Released September 2010; Enjoy now through 2012.
